

COLTS NEWS

Issue 104

August 2011

Welcome to the New Season

Its back to business this month as our teams complete their preseason and start their new league campaigns. This season we have 10 teams playing 11-a-side from U13's through to Adult, we have 11 teams playing 7-a-side from U9's to U12's and our U7's and U8's are playing 4-a-side. The playing models adopted across the club are in line with the SFA Player Pathway. Our playing membership is now in excess of 340 and is supported by over 60 coaches/officials, we are the only club in the area that are able to offer the complete player pathway.

Looking Back on Some of Last Seasons Highlights

U17's—1994's Winners of the FVFDA Challenge Cup

1998's European Success—Winners at the Holland Cup

Our New Academy 2005's intake show-off their new strips

Girls U15's—Wales Trip—Winners of the Fair Play Trophy

Club donated £1000 to two local charities

Web Site Problems

Our apologies for the loss of our web site during July & August, the site was hacked and taken off-line by our host admin. The site has now been recovered and hopefully we wont have a reoccurrence.

Festival Special

Despite the awful weather leading up to our festival the event went off without a hitch. Our thanks to the NLC grounds team for the preparation of the pitches and the SFA for the PCS pitch barriers, cards and leaflets. Thanks also to the Montgomery Group who printed our programme and to all the companies who supported the festival.

Positive Coaching Scotland

This year's festival again promote the Positive Coaching Scotland (PCS) initiative, backed by the Scottish FA. Football has a unique opportunity to teach life lessons to children and PCS can do this by way of helping club leaders, parents, teachers and coaches to encourage young people to stay in football, by focusing on the development of skills and reinforcing the concept that winning in life is achieved through effort. You should have received a leaflet or card. I would ask you to reflect on the important message and take this into the new season. Its adults who create the environment for our children to play and we all make a difference.

All club officials were invited to a club PCS seminar on Wednesday 10th August to reinforce the standards of conduct expected and in doing so deliver the appropriate environment for our players to develop as individuals and players.

Players Wanted

Our girls sections i.e. U11's-U15's are looking for additional players.

Within our boys sections our 2000's, 1999's, 1998's, 1995's, 1993/94's, 1991's/92's and our new Amateurs side are all on the look-out for new players to strengthen their current squads.

If you know anyone who may be interested in joining any of our teams please contact our officials to arrange a trial.

Coach Education

Congratulations to the following coaches who recently completed SFA Coach Education Courses:

Children's Level 3

John McGuire—03's

Michael Davis—03's

A full programme of courses will be arranged during the season.

End of Season Dance

Thanks to everyone who supported our end of season presentation and fund raising dance.

The trophies and mementos presented to the players cost the club over £2500, this considerable cost is off set by the money raised at our dance and we are delighted to report we raised in excess of £1200 on the night.

Thanks again to those who came along on the night and to those who donated a raffle prize.

New Club Sponsor

We are delighted to have recruited a new club sponsor, the First Group recently provide support for a new home kit for our U16's (1996's) and new club training balls.

Our thanks go to the company and parent Paul Brady who endorsed our request for support.

The team in their new kit will feature in our next edition.

Club Home Project Update

As you will all be aware earlier this year we successfully secured grant aid commitments of £550,000 to develop our own 3G pitch. Initial discussions re potential sites were very positive however in recent weeks unfortunately these discussions have been delayed and we have been unable to finalising the plans. It is anticipated now that the International Children's Games has passed discussions with NLC and other stakeholders will resume and a final agreement reached. We are still optimistic that the facility could be complete early next year.
