Building for the Future

Our 2005s are all kitted out thanks to the generous support of Jewson Builders Merchants. The club are extremely grateful to Allan Davidson, Regional Director of Jewson Scotland. The company invested a fantastic £1500 into the club with the 2005's beneficiaries of new strips and sweatshirts. This is a wonderful boost for the club and section and we hope that we can further develop our relationship with the company into the future.

Recognition for Disability Section

David McArdle, Scottish FA disability development officer, said: "The new Disability Club development programme "Scotland United Disability Club" and "Scotland United Disability Inclusive Club" programmes will create a greater opportunity for a player with a disability to access the game in Scotland and give many

positive experiences to players who in the past were unable play the game. "Cumbernauld Colts have done a great job and shown a lot of commitment to allow players from their local community to play." The club received their award from current Scotland Cerebral Palsy Captain Jonathan Paterson who had a quick chat with players in attendance and took time to watch the young players in action. "The two new Scottish FA club development programmes for disability will allow more players to be able to play the game and have the opportunity to reach their full potential." Club Chairman Stewart McKenzie said "The award is fitting recognition for our programme, however when we set up the group we were not aware of the SFA scheme. Our programme is very much about the children and we are delighted to be able to provide them with the opportunity to learn and play the game. Our thanks go to Evonne Hunter for her hard work in setting up the group and Richard McKenzie, Club Development Coach who runs the coaching sessions for the children.

Girls New Season Kicks-off

Our female teams new season has just kicked-off which sees the teams play from March through to November.

The teams have recently received a fantastic financial boost, with the award of £2000 from the **Big Lottery** and £1000 from new club sponsor **Eden Orthodontic Centre**. All the groups have taken delivery of their new kit and pictures will feature in next months edition. This season we have the following female teams:

Ladies—SWF SFL Division 1

U15's—SWF Central—9-a-side League

U13's—SWF Central—7-a-side League

U11's—SWF Central—7-a-side

U9's—CSFA—4-side x2

Our ladies team had a great preseason winning 5 from 5. In their first competitive match against Murieston, having dominated the game they unfortunately lost out on a penalty shoot-out. This disappointment was soon forgotten when they bounced back with an impressive league win against Kilmarnock at Broadwood. Our younger girls started their preseason at a festival in Dunfermline on Saturday 23rd February and in their first league games of the new campaign both our U15's and U13's got off to a winning start. We wish all our teams every success for the coming season. We are still recruiting players for all age groups, contact details are available from our web site.

Security—Over the last couple of months we have had items belonging to the club stolen from the stadium, x2 4's goals were taken on different occasions, each goal costs £140 and more recently the tea/coffee donations tin that was sited in the players lounge was removed. This is all very disappointing and shows the need for us all to be vigilant and challenge strangers if within the stadium.

Players Area/Tunnel—This area is for players and officials only all parents and visitors should use the disabled entrance to the right of the main doors, too many individuals are still using this a thoroughfare. Thanks for your cooperation .

Pitch— Similarly can all parents please refrain from entering the pitch to drop-off/collect players, if you need to speak to a coach they will come to you in the stand or the club office will be used for private discussions.

Club Kit—Can you remind your son/ daughter that its their responsibility to look after club kit, lost items that require to be replace will need to be paid for.

Goalkeeper Gloves
