It was testament to the clubs standing in the game and the importance of our ground breaking Partnership with North Lanarkshire Leisure at Broadwood, that Kenny Macaskill, Justice Minister and Stewart Regan Scottish FA Chief Executive gave up their time to visit the club last month. Both were very impressed by the club and what has been achieved since our move to the stadium. Despite our training being cancelled due to the pitch being covered in snow it was fantastic to see such a great turn-out by our players and their families.

U15's Show-off New Kits

Our 98's are delighted to have received new sponsorship from two sponsors, their new home kit by Nustar, Grangemouth and change kit by The Park—Fish & Chicken Bar, Muirhead. We would like to thank both companies for their generous support. The squad have been very successful and are pictured in their change kit on page 2 with the many trophies they have won over the last two seasons including last years Holland Cup. The section have just confirmed another European tour which will see the team travel to Northern Italy this Easter

Club Fees

Can we remind all our parents and older players that we operate a monthly membership fee payable August to June and not a pay as you play system. This has been set at a reasonable level and allows us to plan for the various club costs such as association fees, insurance, facilities cost, coach education, equipment etc.

Our preference is that fees are paid by standing order as we seek to minimise cash handling.

For those who do pay by cash and have not paid your December and January fees can we ask that these are paid to your section ASAP to allow the months accounts to be reconciled.

Thanks for your cooperation
