Match Funding for U15's

Our U15's were recent beneficiaries of match funding from SportsScotland.

New sponsor **PP Builders & Son** funded the teams new home strips and training shirts and thanks to the Sportsmatch scheme this support was matched £ for £ allowing the additional purchase of training kit, equipment and to assist with club development. Our thanks go to company owner Patrick Pyott for his

generous donation and to SportsScotland for their match funding allowing the club to maximise the support for the benefit of the team and club as a whole.

Club Continues to Grow & Develop

Since our move to Broadwood the clubs participation numbers have continued to rise, we now have over 500 players and a further 120+ children attending community outreach programmes every week..

Our female sections continue to flush under the stewardship of David McGoldrick supported by our increasing group of coaches/volunteers. We now have almost eighty female players including our Ladies Senior team. All the female teams are preparing themselves for the new season which runs from March to November, although due to the 3g pitches will play most weeks through to March.

The male pathway also continues to grow, this season we added an 08's section, another U16's team and create x2 U13's 11-a-

side teams from our 01's 7-a-side teams. This will happen again in March when we will create x2 11-a-side teams from our 02's. We have also completed the pathway with a new over 35's team.

Festive Raffle

Thanks to everyone who supported our fundraiser, prize winners will be published on the notice boards.

Academy 2009's

We are now taking names for our next academy intake. This initiative is aimed at children born in 2009 and will commence in February/March 2014. If interested in reserving a place please Email: admin@cumbernauld-colts.com with your son/daughters details.

Stadium Protocols

Can we remind all parents and guardians that the disabled entrance to the right of the main doors should be used when entering and leaving the stadium, the main entrance should only be used by players and officials, the tunnel area should be a parent/visitor free zone. Can we also request that parents do not enter the pitch area when dropping-off or collecting your child. Thanks for your co-operation.

Scottish Cup

Our last two teams in the Scottish Cup bowed out with their heads held high. Our Amateurs, depleted with injuries lost out in a 5th Rd replay against Aitkenhead Thistle, this followed a great run of results against top opposition, and our U16's lost out in a penalty shoot-out against cup holders Hutchison Vale following a pulsating 1-1 draw.

Coach Education

This month sees the start of the new coach education cycle. As a club we are committed to investing in our volunteers which in turn benefits all our players. All our teams as is required by the Scottish FA's Quality Mark criteria must have at least one Lv1.3 coach. Over the year we will send dozens of coaches to various courses to enhance their knowledge and skills, making an invest of between £2000-£3000 in year. We will also be putting 20+ coaches through a First Aid/Sport Injuries course next month at a cost of over £1000.

Sponsorship

As many of you will be aware we have changed our kit manufacture and all our sections are seeking support to replace their existing kit. Our thanks to the following companies who have pledged support: **JEWSON** who have donated a fantastic £2000 in support of the club and the 2005's. A De Cecco Ltd, Stephen Blair Ltd and Cleveland Cables Ltd for their donations to fund team kits for the 2003's 7's teams (Photos below), and J&HM Dickson Ltd who have pledged £500 towards a new home kit for the Ladies team. If you can help with sponsorship please speak to our officials or email admin@cumbernauld-colts.com
