## Reflecting on the Past Year

The club reached a significant milestone when we recruited our 100th female player, the club is now has one of the biggest female sections in the country

The club received a tremendous boost earlier in the year when Network Rail/EGIP agreed to sponsor our Annual Summer Soccer Festival for two years with a £5000 investment. As a result of this investment our 98's and 08's were beneficiaries of new team kit.

We were delighted when Sportscotland matched this sponsorship to fund an extensive outreach school coaching programme and associated equipment. This programme will be delivered over the coming months to primary schools in the area. Our thanks go to both organisations!

## Finland Visit

Committee member Arthur Stackpool recently represented the club on a Scottish FA best practice visit to Finland, he was joined by a number of other volunteers from other clubs and associations. This was an excellent opportunity to see first hand how football is structured in Finland and how their community clubs operate. Arthur is pictured above handing over club mementos to a representative from the Finish FA.

## Coach Development

Its been a very busy period for coach education, we have had coaches attend high level course such as the Scottish FA "B" Licence, down to the Children's and Youth starter courses 1.1 and lots in between. Five coaches attended the Physical Preparation Course in November, thirteen coaches recently attended the Children's 1.2 Coaching Young Footballers and twenty three will attend the Children's 1.3, Coaching in the Game this month. We also funded one of our coaches to attend the Coerver Youth Diploma. In year we invested in excess of £3000 which is a significant investment for any voluntary organisation to make, we are however committed to developing our coaches to be the best they can be with an aim to providing our players with the best possible platform.

## Sponsorship

The replacement of club kit is an ongoing process, if you can help with sponsorship please speak to our officials or email [admin@cumbernau1d-colts.com](mailto:admin@cumbernau1d-colts.com)

## Scottish Cup Update

Our 98's are our last remaining representatives in the Scottish Cup, the team should have a quarter final tie against Rossvale Thistle at the end of the month and we wish them every success and hope they continue to progress.

## Foodbank Appeal

Thanks to everyone who supported our foodbank appeal, we were blown away with the generosity, we collected a significant amount of supplies. The appeal organiser Scott Smith and his 08's colleagues delivered the supplies before Christmas to the local foodbank who were extremely grateful for this support. We are sure what was provided will assist a number of those less fortunate than ourselves.

## Mascot Appearance

The clubs mascot made a recent appearance at a Ladies v Family/Friends charity match, making itself at home in the dugout. We will be running a name the mascot competition soon to give the mascot an appropriate name.

## Amateurs Christmas Day Out

Our Amateurs were on good form at their Christmas day out at sponsor **Nico's Café Bar**, Glasgow. The team entered into the spirit in their festive jumpers. The team are looking forward to the second half of the season and hope to build on their encouraging league form. Good luck lads!

## Club Teams up with the Arran Brown Foundation

Our young footballers at our disability section have received a sponsorship boost from a Foundation set up in memory of a local toddler. The Arran Brown Rainbow Foundation has linked up with the club to donate £2000 over the next two years to support the running costs of the group who train every Monday evening. The Foundation was set up in 2011 in memory of Arran Brown who was born with a rare kidney condition, Autosomal Recessive Polycystic Kidney Disease (ARPKD).

The investment in the section will make a huge contribution to the sustainability and development of the group and also allows the club to provide new kit for the children, we are extremely grateful for this generous donation.

Former Celtic player and manager, Davie Hay is Patron of the Foundation. Davie, a family friend and a lecturer at New College Lanarkshire, said he was delighted the Foundation is partnering with the Colts who hold the Scottish FA's highest level of Quality Mark accreditation, the first club in the country to achieve the 'Legacy' award.

### Fees

Can we request that those paying club fees by standing order please ensure the **players name and age group** are referenced with the payment, 4's & 7's section fees are £25- Aug-Jun, with 11-a-side teams: £28- Aug-May. Thanks

### Festival

Our Annual Summer Festival application forms have just been released, and as always we expect places to be snapped up. This years event will be held over the weekend of the 8th and 9th August 2015.

### Stadium Upgrade Works

North Lanarkshire Leisure have advised the club that the stadium refurbishments will be completed next month, this will see the NL management team and admin move to the stadium. A new players entrance will be established next to the main entrance doors, there will be a new hospitality suite on the 3rd floor which will double as the clubs boardroom and meeting area, we will also host small fund raising events within the suite.
