

COLTS NEWS

Start of a New Era

Welcome to the first newsletter of the new season. We are all still pinching ourselves when we consider where we now train and play our games. As most of you will be aware this was only possible thanks to the Scottish Governments "Cashback" funding of almost £400,000 awarded to the club. This award was endorsed by the Scottish FA in recognition of the clubs standing in the game as

one of the first clubs in Scotland to achieve the SFA Quality Mark "Community" Level award and have been at the forefront of the progressive changes in recent years in the game. Following a frustrating search for a suitable location to build our own pitch we reached agreement with NLC/NLL to invest in Broadwood Stadium, creating a fantastic community sports hub and club home, in doing so bring the flagging stadium to life, which we certainly have. Although the club provided the majority of the capital funding our partnership with NLC/NLL sees us rent the pitch back, in return the club benefits from extensive pitch access rights and the excellent infrastructure which includes several club rooms, which you should all have had the opportunity to look round. Our officials and a number of parents gave up many hours of their own time over the Summer to upgrade our areas for the benefit of all at the club. A number of companies also pitched in by donating essential materials i.e. McNairs Building Merchants, Drumglass Builders and Norboard. Scottish Gas also provided a team for a day to paint the parents entrance and kiosk area, which is still work in progress as is the new players entrance. We have invested heavily and will continue to do so to provide the best facilities that we can for all our members. As indicated our lease comes with a price tag and we have tried to set our fees at a reasonable level, it is however very important that fees are made timely to allow us to meet our commitments. I am sure you all agree we have made the right choice for the club and the town.

3k Success

Once again we had a large presence at the recent Cumbernauld 10, 3 & 1k races held at Broadwood. Many of our runners were raising money for their teams with our Amateurs running for Erskine Hospital. Congratulations to all who took part especially Josh Devine of our U15's (1998's) who won the 3k with Scott Munro of our U16's (1997's) finishing runner-up, well done guys!!

Our Club Development Coach, Richard McKenzie will be promoting the club within local schools with the main priority area for development our girls section. We will also be offering Friday night football sessions for teenagers up to 16 years to play small sided games within the stadium. Over and above this we are starting over 35's activity.
