## Academy 99's Gearing Up

Our 99's are pictured at their pre Christmas five a-side at the Tryst. The section will soon form two new soccer sevens teams and are currently getting kitted out and are pictured in their new sweatshirts. TARANIS Flooring & Design also kindly donated £250 to purchase training kits for the boys. The teams however are still on the look-out for further support to fund various other kit e.g. track suits, bags etc, if you can help please contact Sam Brown, Development Coach.

We also still require

another 2/3 parents to assist with the new teams, as parents you will be watching your son play each week, why not get involved, if interested in becoming a club official please speak to Sam.

Good luck to the boys

## European Tours 2006

**PAYMENT SCHEDULE** Can we remind all who are attending our tours to Spain and Holland that full payment requires to be made no later than the first week in February.

**PASSPORTS & MEDICAL CARDS** Please remember, all travellers will require a valid passport, please do not leave this too late if you have not got one or this requires to be replaced. All travellers also require a European Health Insurance Card, this replaces the old E111 Form which is now obsolete, details from the Post Office. The section leads will be collecting both items in March.

### SCHEDULES

Draft schedules and guidance on what travellers should and should not take with them will be issued shortly. The tournament organisers will also shortly confirm our accommodation and opposition details.

**FUND RAISING** 92's, 93's & 94's have two remaining events that are vital to them reaching the tour fund totals, they will be holding a dance on the 18th March in the New Town Hall and need full participation. All sections will participate in our annual sponsored penalty shoot-out which will be held on Saturday 25th March.

**SPONSORSHIP** All sections urgently need sponsorship for various items of kit, if you can help please speak to section officials.

## League Select

Congratulations go to Matthew Charles and Thomas Denholm of our 93's who have been selected to represent the Cumbernauld & Kilsyth District Youth League Select Team.

The boys follow in the footsteps of a number of our players who have represented the club at this level. The highlight for the boys is a trip to Holland in May to play in an

International Tournament. Well done again to both lads, we are sure they will be a credit to the club.
