European Tour 2010

Plans are at an advanced stage for our Easter European Tour to Belgium, please note any additional requests to attend will require to be approved by the travel company. To ensure we do not jeopardise our places in the event it is imperative our next payment is made on time, please note this must be paid no later than the first week in February. If you have any questions re our tour please speak to our officials.

New Kit Supplier

The recession has resulted in this seasons sponsorship being very limited as companies cut their community support budgets. We hope this improves in the New Year as we will be changing our kit supplier to NIKE and hope that past and prospective sponsors can dig deep to help all our sections and as a minimum fund their new home strips. We will also be phasing in new leisure kit over the next year or so, if you can assist with this please speak to our section officials ASAP, thanks.

Academy 2004's

We are now taking names for our 2004's academy intake planned for March 2010. If you would like to reserve a place please call Stewart on 01236 780668 or Sam on 01236 451173
